

## NASCAR 21: Ignition Gets the Green Flag for October 28, 2021

August 11, 2021

### Motorsport Games' Officially Licensed NASCAR Game Will Be Powered By Unreal Engine and rFactor's Simulation And Physics Engine

MIAMI, Aug. 11, 2021 (GLOBE NEWSWIRE) -- [Motorsport Games Inc. \(NASDAQ: MSGM\)](#) ("[Motorsport Games](#)"), a leading racing game developer, publisher and esports ecosystem provider of official motorsport racing series throughout the world, today announced the release date of **NASCAR 21: Ignition**. The newest installment in the officially licensed NASCAR gaming franchise will launch on **October 28, 2021**, with pre-orders starting on **August 12, 2021**, for Sony PlayStation 4, Microsoft Xbox One and PC through the Steam store. A first look at the NASCAR 21: Ignition trailer can be seen [here](#).

Games will have a free upgrade path for the Sony PlayStation 5 and Microsoft Xbox Series X/S post-launch, with free downloadable upgrades available for other users as well. Digital gamers who [pre-order](#) NASCAR 21: Ignition Standard or Champions Edition will be given early access to the game two days in advance and a "Traxion.gg" paint scheme. Players who purchase the Champions Edition will also receive exclusive availability to unlock Bill Elliott as a playable character, his paint schemes, in-game career boost and the season pass, which will include all three DLC packs. The season pass will release additional paint schemes and three other NASCAR legend drivers.

"Motorsport Games is thrilled to offer our most true-to-life simulation of NASCAR to date with NASCAR 21: Ignition," said **Dmitry Kozko, CEO of Motorsport Games**. "We've designed this game with our fans and players in mind, bringing them features, modes and options they have long clamored for. NASCAR 21: Ignition captures the atmosphere, pageantry and fierce competition of the NASCAR Cup Series, while offering authenticity, competition and accessibility through the game's core foundations."

NASCAR 21: Ignition will be developed and published by Motorsport Games. The simulation will be powered by Unreal Engine and Studio 397's highly-acclaimed rFactor physics engine, giving users a more authentic driving experience, immersive gameplay, dynamic AI and stunning visuals. The game will come complete with official drivers, teams and tracks from the 2021 NASCAR Cup Series, including broadcast quality pre-race build up and post-race replays. All broadcast voice-over work will be provided by MRN Radio, the Voice of NASCAR. Drivers will be face-scanned into the game to provide their realistic representations, with heightened attention to detail regarding tracks, grandstands and pit experiences.

With NASCAR 21: Ignition, Motorsport Games will provide fans with a bevy of new features and updates long anticipated by its player base. Players will have the ability to dive straight into the action with Race Now, competing as their favorite official driver from the Cup Series, or starting in the engaging career mode as they build their reputation in the sport and battle their way towards the championship. Career mode, which provides each user with driver-focused progression, with clear goals and structures on the road to glory. Online races will be supported for up to 40 players – a full NASCAR race grid – allowing friends and other players to battle from around the world.

"Our partners at Motorsports Games have dedicated an incredible amount of talent and resources towards completely redeveloping the game and delivering a product that our fans will be excited to play," said **Nick Rend, Managing Director, Gaming and Esports at NASCAR**. "NASCAR 21: Ignition utilizes Epic's Unreal Engine to bring the most realistic NASCAR race experience directly into the home of our fans, while introducing NASCAR-style racing to a broad audience of gamers."

Motorsport Games developed a brand new Paint Booth, offering unparalleled levels of customization to create NASCAR paint schemes, complete with an iconic race number. NASCAR 21: Ignition will feature a fully curated soundtrack with artists such as Lynyrd Skynyrd, Imagine Dragons, Aerosmith and Luke Combs.

**Forward-Looking Statements:**

Certain statements in this press release which are not historical facts are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, and are provided pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Any statements in this press release, the related conference call and webcast that are not statements of historical fact may be deemed forward-looking statements. Words such as "continue," "will," "may," "could," "should," "expect," "expected," "plans," "intend," "anticipate," "believe," "estimate," "predict," "potential," and similar expressions are intended to identify such forward-looking statements. These forward-looking statements include, but are not limited to, statements concerning the expected future impact of new or planned products, features or offerings and the timing of launching such products, features and offerings, including, without limitation, Motorsport Games' expectation that the NASCAR 21: Ignition game will launch on October 28, 2021, with pre-orders starting on August 12, 2021, for Sony PlayStation 4, Microsoft Xbox One and PC through the Steam store. All forward-looking statements involve significant risks and uncertainties that could cause actual results to differ materially from those expressed or implied in the forward-looking statements, many of which are generally outside the control of Motorsport Games and are difficult to predict. Examples of such risks and uncertainties include, but are not limited to difficulties, delays in or unanticipated events that may impact the timing and scope of new product launches, such as due to delays and higher than anticipated expenses related to the ongoing and prolonged COVID-19 pandemic. Factors other than those referred to above could also cause Motorsport Games' results to differ materially from expected results. Additional factors that could cause actual results to differ materially from those expressed or implied in the forward-looking statements can be found in Motorsport Games' filings with the Securities and Exchange Commission (the "SEC"), including its Annual Report on Form 10-K for the fiscal year ended December 31, 2020, its Quarterly Reports on Form 10-Q filed with the SEC during 2021, as well as in its subsequent filings with the SEC. Motorsport Games anticipates that subsequent events and developments may cause its plans, intentions and expectations to change. Motorsport Games assumes no obligation, and it specifically disclaims any intention or obligation, to update any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by law. Forward-looking statements speak only as of the date they are made and should not be relied upon as representing Motorsport Games' plans and expectations as of any subsequent date. Additionally, the business and financial materials and any other statement or disclosure on, or made available through, Motorsport Games' website or other websites referenced or linked to this press release shall not be incorporated by reference into this press release.
