## **CORPORATE GOVERNANCE**

### **Director Independence**

The Company's board of directors (the "Board") currently includes three nonemployee, independent members – Francesco Piovanetti, Neil Anderson and Peter Moore. Each of Messrs. Piovanetti, Anderson and Moore is an "independent director" as defined under NASDAQ Listing Rule 5605(a) (2). A majority of our Board members are independent directors, as three out of the five members of the Board qualify as independent under the NASDAQ listing standards and the rules of the Securities and Exchange Commission (the "Commission"). No director is considered independent unless the Board affirmatively determines that the director has no material relationship with us (directly, or as a partner, stockholder or officer of an organization that has a relationship with us) that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Also, all members of the Board's audit committee, compensation committee and nominating and governance committee are independent directors.

### **Code of Ethics**

We have adopted a Code of Ethics and Business Conduct that applies to all of our directors, officers and employees, including our principal executive officer and our principal financial and accounting officer. A copy of our Code of Ethics and Business Conduct has been posted to the "Investors—Governance" section of our Internet website at <http://www.motorsportgames.com>. We intend to satisfy the requirement under Item 5.05 of Form 8-K regarding disclosure of amendments to, or waivers from, provisions of our Code of Ethics and Business Conduct by posting such information on our Internet website at <http://www.motorsportgames.com>. We will provide a copy of our Code of Ethics and Business Conduct to any person without charge, upon written request to our Secretary, 5972 NE 4th Avenue, Miami, Florida 33137, telephone number (305) 507-8799, e-mail address [investors@motorsportgames.com](mailto:investors@motorsportgames.com).

**SECURITY OWNERSHIP OF CERTAIN  
BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth the beneficial ownership of our common stock as of April 27, 2022 for:

- each stockholder known by us to be the beneficial owner of more than 5% of our outstanding shares of Class A common stock and Class B common stock (by number or by voting power);
- each of our directors;
- each of our named executive officers; and
- all of our directors and executive officers as a group.

Applicable percentage ownership before the offering is based on 11,673,587 shares of our Class A Common Stock and 7,000,000 shares of our Class B Common Stock outstanding as of April 27, 2022.

The number of shares beneficially owned by each stockholder is determined under rules issued by the SEC and includes voting or investment power with respect to securities. Under these rules, beneficial ownership includes any shares as to which the individual or entity has sole or shared voting power or investment power. In computing the number of shares beneficially owned by an individual or entity and the percentage ownership of that person, shares of common stock subject to options, or other rights, including the redemption right described above, held by such person that are currently exercisable or will become exercisable within 60 days of the date of April 27, 2022, are considered outstanding, although these shares are not considered outstanding for purposes of computing the percentage ownership of any other person. Each of the stockholders listed has sole voting and investment power with respect to the shares beneficially owned by the stockholder unless noted otherwise, subject to community property laws where applicable.

Unless otherwise indicated, the address of all listed stockholders is c/o Motorsport Games Inc., 5972 NE 4<sup>th</sup> Avenue, Miami, FL 33137.

#### **Board Leadership Structure**

The Board does not currently have a policy on whether or not the roles of Chairman of the Board and Chief Executive Officer should be separate. The same individual currently separately serves as Chairman of the Board and Chief Executive Officer of the Company. The Board believes that it should be free to decide from time to time in any manner that is in the best interests of the Company and its stockholders whether or not the roles of Chairman of the Board and Chief Executive Officer should be separate.

#### **Risk Oversight Functions**

The Board, in fulfilling its oversight role, focuses on the adequacy of our enterprise-wide risk management policies and procedures. The audit committee has been designated to take the lead in overseeing risk management at the Board level. The audit committee is responsible for discussing guidelines and policies to govern the processes by which risk assessment and management is undertaken and handled, and discussing with management the Company's major financial risk exposures and the steps management takes to monitor and control such exposures. Although the Board's primary risk oversight has been assigned to the audit committee, the full Board also receives information about the most significant risks that the Company faces.

The Board has a separately designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), which is currently comprised of Francesco Piovanetti (audit committee chairman), Neil Anderson and Peter Moore. The audit committee’s responsibilities and other matters related to the audit committee are discussed below under “Audit Committee Report.”

Messrs. Anderson and Piovanetti serve on the compensation committee of the Board. The Board has adopted a written compensation committee charter, which is reviewed each year. The compensation committee is responsible for determining, or recommending to the Board for determination, the compensation of the executive officers and directors of the Company.

Messrs. Anderson and Piovanetti serve on the nominating and governance committee of the Board. The nominating and governance committee’s responsibilities and other matters related to the nominating and governance committee are discussed below under “Director Nominations.”

## **Director Nominations**

The nominating and governance committee of the Board operates pursuant to a written charter, which is reviewed each year. The nominating and governance committee is responsible for the identification of individuals qualified to become members of the Board, the selection or recommendation of the director nominees for annual meetings of stockholders, the selection of director candidates to fill any vacancies on the Board, recommendation of corporate governance principles and related responsibilities. Criteria considered by the nominating and governance committee in identifying and evaluating director nominees include experience in corporate governance, experience in, or relationships within, the Company’s industries, academic or professional expertise, reputation for high moral and ethical standards, business and professional standing that will add to the Board’s stature, business experience, skills and time availability, and the diversity of the skills, background and experience of Board members as a whole. In addition, it is a primary objective of the nominating and governance committee to assure that the Board and its committees satisfy the independence requirements of NASDAQ and any other applicable self-regulatory or regulatory requirements. The nominating and governance committee’s policy with regard to the consideration of diversity in identifying director nominees requires the committee to consider the diversity of the skills, background and experience of Board members as a whole as one of many other criteria that may be considered in recommending candidates for election or appointment to the Board; however, this policy does not require that the composition of the Board be diverse in any manner or that persons identified as director nominees must promote or enhance the diversity of the Board.

The nominating and governance committee will consider director candidates recommended by stockholders and will evaluate such candidates on the same basis as candidates recommended by other sources. Stockholder recommendations must meet the requirements set forth in the Company's bylaws, including providing all of the information specified in the bylaws. The notice must be submitted to the Secretary of the Company, at the principal executive offices of the Company, 5972 NE 4th Avenue, Miami, Florida 33137. In order to ensure review and consideration of any stockholder's recommendation, the notice generally must be received not less than 60 days nor more than 90 days prior to the first anniversary of this year's annual meeting. However, if next year's annual meeting is to be held more than 30 days before or 60 days after the anniversary of this year's annual meeting, notice must be received no later than the later of 70 days prior to the date of the meeting or the 10th day following the Company's public announcement of next year's annual meeting date. The Secretary will present such recommendations to the nominating and governance committee. The nominating and governance committee will identify potential candidates through recommendations from the Company's officers, directors, stockholders and other appropriate third parties.

In 2021, the Company did not pay a fee to any third party to identify or evaluate or assist in identifying or evaluating potential nominees. Although the Company is not currently paying a fee to any third party to identify or evaluate or assist in identifying or evaluating potential nominees, the Company may engage a third-party search firm in the future.

For fiscal years 2020 and 2021, the compensation for our named executive officers generally consisted of a base salary, a discretionary cash bonus, standard employee benefits and, for our named executive officer in the United Kingdom, a Company contribution to a defined contribution plan retirement plan. The Company's equity awards and cash bonuses, as part of our executive compensation program for named executive officers following the consummation of the Company's IPO in January 2021 are described below under "—Actions Taken in Connection with the Company's IPO." We may also grant other equity awards and cash bonuses as part of our executive compensation program for named executive officers, as determined by the Board or our compensation committee.

### **Base Salary**

Our named executive officers receive a base salary to compensate them for services rendered to our Company. Base salaries may be increased based on the individual performance of the named executive officer, Company performance, any change in the executive's position within our business, the scope of his or her responsibilities and any changes thereto. Base salaries may also be increased as required under the terms of a named executive officer's employment agreement, as applicable.

### **Cash Bonus**

From time to time the Board or compensation committee may approve bonuses for our named executive officers based on individual performance, company performance or as otherwise determined appropriate.

### **Equity Compensation**

In connection with the Company's IPO, we adopted the 2021 Plan, which became effective immediately prior to the consummation of the Company's IPO, in order to facilitate the grant of equity awards to our employees, consultants, and directors for the purposes of obtaining and retaining services of these individuals, which we believe is essential to our long-term success. ### **Other Elements**

We provide various employee benefit programs to our named executive officers, including health and life insurance benefits, which are generally available to all of our employees. ## Director Compensation

Historically, we have not paid cash or equity compensation to any of our non-employee directors for service on the Board, and no such amounts were paid to our non-employee directors during fiscal year 2020. As of December 31, 2020, none of our non-employee directors held any option awards or unvested stock awards in us.

The Board has adopted a non-employee director compensation policy, which became effective immediately prior to the consummation of the Company's IPO. Under the non-employee director compensation policy, our non-employee directors are eligible to receive compensation for service on the Board and committees of the Board as follows:

All cash retainers are paid quarterly in arrears.

Upon the occurrence of certain corporate events, including a change of control of the Company, all such stock option awards will immediately vest. The initial annual stock option award was awarded to each of our non-employee directors in connection with the Company's IPO.

Our non-employee directors are entitled to reimbursement of ordinary, necessary and reasonable out-of-pocket travel expenses incurred in connection with attending in-person meetings of the Board or committees thereof. In the event our non-employee directors are required to attend greater than four in-person meetings or 12 telephonic meetings during any fiscal year, such non-employee directors shall be entitled to additional compensation in the amount of \$500 for each additional telephonic meeting beyond the 12 telephonic meeting threshold, and \$1,000 for each additional in-person meeting beyond the four in-person meeting threshold.

Mr. Kozko is entitled to the following additional incentive compensation outside of our equity incentive plans, including the 2021 Plan (the “Additional CEO Incentive”):

(a) If (i) a liquidity event of the Company occurs that results in the Company’s valuation of at least \$100,000,000 and (ii) an occurrence, pursuant to the applicable loan documents, of the triggering event for the repayment by us to Motorsport Group, LLC, Motorsport Network, LLC and/or their affiliates of the aggregate amount of investment by such parties in us and our subsidiaries through the date of consummation or closing of such liquidity event, as applicable, has occurred, we will issue as promptly as practicable to Mr. Kozko (1) such number of shares of our Class A common stock that would constitute 1.0% of the total shares of our Class A common stock expected to be issued and outstanding (on a fully diluted basis) immediately upon the closing of the initial liquidity event (the “Initial Shares Award”) and (2) a stock option award for such number of shares of our Class A common stock that would constitute 2.0% of the total shares of our Class A common stock expected to be issued and outstanding (on a fully diluted basis) immediately upon the closing of the initial liquidity event (the “Initial Option Award,” and together with the Initial Shares Award, the “Initial Award”).

A liquidity event includes, with respect to the Company, a sale or exchange of capital stock, a merger or consolidation, a recapitalization, a tender or exchange offer, a leveraged buy-out, in each case to an unaffiliated purchaser or the Company or its parent causing a sale by the Company and its subsidiaries of substantially all of the Company’s and its subsidiaries consolidated assets to an unaffiliated purchaser, an initial public offering of the Company’s equity securities (“IPO”), including the offering contemplated hereby, or any monetization event of the Company (together with its subsidiaries), but only so long as in each such transaction, sale, reorganization, merger, recapitalization, tender or exchange offer, buy-out, monetization event or IPO, Motorsport Group, LLC, Motorsport Network, LLC and/or their affiliates receive in full the aggregate amount of their investment in the Company and its subsidiaries. In the case of an IPO, the Company’s valuation will be the market capitalization based on the initial public offering price in the offering and for any other liquidity event, the Company’s valuation will be on a cash-free, debt-free basis based on the consideration paid or payable in such liquidity event.

Mr. Kozko had an option, in his discretion, to replace all or a portion of his Initial Shares Award with a cash payment of up to \$1,000,000. By way of example only: if Mr. Kozko opts to replace one-half of his Initial Shares Award with a cash payment, the cash amount would be \$500,000; if Mr. Kozko opts to replace his entire Initial Shares Award with a cash payment, the cash amount would be \$1,000,000. Pursuant to Mr. Kozko's employment agreement, the Company had to gross up the amount of such cash payment by increasing the gross amount of such cash payment to Mr. Kozko to account for the taxes withheld from or attributable to such payment.

(b) Subject to satisfaction of the conditions set forth in paragraph (a) above, the amount of stock options for the shares of our Class A common stock to be issued to Mr. Kozko will be increased from time to time in the percentage increments set forth below if either:

- (1) in the event of a liquidity event that is an IPO that results in the listing of our Class A common stock on a major stock exchange such as Nasdaq or the New York Stock Exchange ("IPO") and at all times after the IPO so long as our Class A common stock is traded on a major stock exchange such as Nasdaq or NYSE, our market capitalization targets (summarized below) are achieved from time to time by us (such targets will be deemed achieved if during any 60 consecutive calendar days, the average closing trading price of our Class A common stock corresponds to the market capitalization targets (summarized below)); or
- (2) in the event of a liquidity event that is not an IPO and so long as our Class A common stock is not traded on a major stock exchange such as Nasdaq or NYSE, our valuation targets summarized below are achieved by us. The percentage increments described in this paragraph will be the percentage of the total shares of our Class A common stock issued and outstanding on a fully diluted basis on the date of the applicable issuance.

The percentage of increase in the number of stock options to be issued to Mr. Kozko will be 0.2% of the total shares of our Class A common stock issued and outstanding on a fully diluted basis on the date of the applicable issuance for each \$50,000,000 incremental increase of the Company's market capitalization target or valuation target (as applicable) in excess of \$100,000,000, *provided, however*, that the percentage of increase in the number of stock options to be issued to Mr. Kozko will be 1.5% of the total shares of our Class A common stock issued and outstanding on a fully diluted basis on the date of the applicable issuance for the incremental increase of the Company's market capitalization target or valuation target (as applicable) from \$950,000,000 to \$1,000,000,000. There will be no more incremental increases after the \$1,000,000,000 threshold is reached.

Such shares and stock option issuances pursuant to the Additional CEO Incentive have been approved by the sole manager of Motorsport Gaming US LLC, our predecessor, and were ratified by our compensation committee prior to the consummation of the Company's IPO. The shares and stock options were, and, to the extent to be issued in the future under the terms of the employment agreement, will be, issued to Mr. Kozko in reliance upon the exemption from the registration requirements of the Securities Act set forth in Section 4(a)(2) of the Securities Act and the resale of such shares will be restricted subject to compliance with applicable law, including the Securities Act.

The per share exercise price for any stock options issuable to Mr. Kozko pursuant to the Additional CEO Incentive may not be less than the fair market value of a share of our Class A common stock on the date of grant. In the case of an Initial Option Award issued in connection with an IPO (if the applicable liquidity event that triggers such award is an IPO), the per share exercise price will be equal to the initial public offering price in the offering.

Other than the Initial Award that vested immediately upon issuance, all other stock options issuable to Mr. Kozko pursuant to the Additional CEO Incentive will be subject to vesting in three equal installments during the three-year period after the date of issuance of the applicable stock options (i.e., 1/3rd vesting on the date that is 12 months after the issuance of the applicable stock options, 1/3rd vesting on the date that is 24 months after the issuance of the applicable stock options and 1/3rd vesting on the date that is 36 months after the issuance of the applicable stock options), but only so long as Mr. Kozko continues to be employed by the Company as of each such vesting date. Further, all stock options issuable to Mr. Kozko pursuant to the Additional CEO Incentive will expire ten years from the date of grant.

However, (a) if Mr. Kozko's employment is terminated at any time during the term of the employment agreement by the Company for any reason (including in the event of death or disability) other than for Cause or by Mr. Kozko for Good Reason, or in the event of a Change in Control during Mr. Kozko's employment, then (1) all earned but not yet vested stock options issued pursuant to the Additional CEO Incentive will vest upon such termination or the effective date of such Change in Control (as applicable) and (2) the vested shares and/or stock options issued pursuant to the Additional CEO Incentive will not be forfeited by Mr. Kozko; and (b) in the event his employment is terminated at any time during the term of his employment agreement either (1) by him for any reason (other than Good Reason) or (2) by us for Cause, all unvested stock options issued pursuant to the Additional CEO Incentive will be forfeited by Mr. Kozko.

On June 18, the Company, upon the approval and recommendation of the compensation committee of the Company's board of directors and the approval by the Company's board of directors, entered into an amendment to the employment agreement (the "Amendment"). Section 5.3(a) of the original employment agreement provided for an initial stock option award to Mr. Kozko in connection with a contemplated IPO based on an assumed \$100 million IPO market value of the Company. As the IPO valuation of the Company exceeded the scale set forth in the original employment agreement by establishing an initial market value of the Company of \$215.6 million based on the IPO's \$20 per share price, pursuant to the Amendment, Mr. Kozko was granted, as of the close of business on June 18, 2021, an additional stock option award covering 150,000 shares of the Company's Class A common stock under the 2021 Plan (the "Option") to clarify and true up what was originally contemplated by the original employment agreement. In addition, pursuant to the Amendment, the chart in paragraph (b) of Section 5.3 of the employment agreement was amended to delete (i) the Company's market cap targets of \$150 million and \$200 million, and (ii) the related stock option awards associated with such market cap targets. All other Company market cap targets in such chart and the related stock option awards associated with such market cap targets in paragraph (b) of Section 5.3 of the employment agreement remained unchanged and in full force and effect.

## Audit Committee Report

The audit committee of the Board consists of three non-employee directors, Francesco Piovanetti (audit committee chairman), Neil Anderson and Peter Moore. The audit committee operates under a written charter, which is reviewed each year and is available in the “Investors—Governance” section of our Internet website at <http://www.motorsportgames.com>. The Board has determined that Francesco Piovanetti is financially sophisticated as described in NASDAQ Listing Rule 5605(c)(2) and qualifies as an “audit committee financial expert” as defined in Item 407(d)(5) of Regulation S-K. We believe that the audit committee’s current member composition satisfies the rules of NASDAQ that govern audit committee composition, including the requirement that audit committee members all be “independent directors” as that term is defined by NASDAQ Listing Rule 5605(a)(2).

The audit committee monitors and oversees the Company’s accounting and financial reporting process on behalf of the Board, reviews the independence of its independent registered public accounting firm and is responsible for approving the engagement of its independent registered public accounting firm for both audit services and permitted non-auditing services, the scope of audit and non-audit assignments and fees related to all of the foregoing, and also is responsible for reviewing the accounting principles used in financial reporting, internal financial auditing procedures, the adequacy of the internal control procedures and critical accounting policies.

Management is responsible for the Company’s financial statements, systems of internal control and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company’s consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board and issuing reports thereon. The audit committee’s responsibility is to monitor and oversee these processes.

The audit committee has implemented procedures to ensure that, during the course of each fiscal year, it devotes the attention it deems necessary or appropriate to fulfill its oversight responsibilities under the audit committee’s charter. In this context, the audit committee discussed with Grant Thornton LLP the results of its audit of the Company’s financial statements for the year ended December 31, 2021.

Specifically, the audit committee has reviewed and discussed with the Company’s management the audited financial statements, management’s assessment of the effectiveness of internal control over financial reporting and the effectiveness of internal control over financial reporting. In addition, the audit committee discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, and any other matters required to be discussed under generally accepted auditing standards. These discussions included the scope of the independent registered public accounting firm’s responsibilities, significant accounting adjustments, any disagreement with management and a discussion of the quality (not just the acceptability) of accounting principles, reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The independent registered public accounting firm provided the audit committee with the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant’s communications with the audit committee concerning independence, and the audit committee discussed with the independent registered public accounting firm that firm’s independence. During fiscal year 2021, the Company retained its independent registered public accounting firm, Grant Thornton LLP, for the audit of the fiscal year 2021 financial statements and the review of the Company’s 2021 3<sup>rd</sup> quarter financial statements. Dixon Hughes Goodman LLP reviewed the Company’s 2021 1<sup>st</sup> and 2<sup>nd</sup> quarters financial statements. See below regarding the Company’s change of its independent auditor under the heading “*Additional Information Regarding Change of Independent Auditor.*”

Based on the reviews and discussions referred to above, the audit committee recommended to the Board that the audited financial statements, together with Management's Discussion and Analysis of Financial Condition and Results of Operations, be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2021 for filing with the Commission.

#### Additional Information Regarding Change of Independent Auditor

As reported on Company's Current Report on Form 8-K, filed with the Commission on September 7, 2021 (the "Current Report"), on September 1, 2021, the board of directors of the Company, at the recommendation of the audit committee, approved the appointment of Grant Thornton LLP as the Company's new independent registered public accounting firm, effective upon the Company's dismissal of Dixon Hughes Goodman LLP on September 1, 2021.

During the Company's two most recent fiscal years ended December 31, 2020 and 2019, and the subsequent interim period through September 1, 2021, neither the Company nor anyone acting on its behalf, consulted with Grant Thornton LLP regarding either (a) the application of accounting principles to a specified transaction, either completed or proposed or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report or oral advice was provided to the Company that Grant Thornton LLP concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue; or (b) any matter that was either the subject of a disagreement (as defined in paragraph 304(a)(1)(iv) of Regulation S-K and the related instructions thereto) or a reportable event (as described in paragraph 304(a)(1)(v) of Regulation S-K).

The Company notified Dixon Hughes Goodman LLP on September 1, 2021 that it would be dismissed as the Company's independent registered public accounting firm, effective September 1, 2021. The decision to change independent registered public accounting firms was approved by board of directors of the Company after recommendation of the audit committee. Dixon Hughes Goodman LLP's reports on the Company's financial statements for the years ended December 31, 2020 and 2019 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the Company's two most recent fiscal years ended December 31, 2020 and 2019 and the subsequent interim period through September 1, 2021, there were (i) no disagreements, within the meaning of Item 304(a)(1)(iv) of Regulation S-K and the related instructions thereto, with Dixon Hughes Goodman LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Dixon Hughes Goodman LLP, would have caused it to make reference to the subject matter of the disagreements in connection with its reports on the Company's consolidated financial statements for such years, and (ii) no "reportable events" within the meaning of Item 304(a)(1)(v) of Regulation S-K and the related instructions thereto.

The Company has provided Dixon Hughes Goodman LLP with the disclosures under this Item 4.01(a), and Dixon Hughes Goodman LLP's letter addressed to the SEC, in which it states its agreement with the statements in this item 4.01(a), is filed as Exhibit 16.1 to the Current Report.

Submitted by the Audit Committee of the Board.

Each proxy will be voted for the election to the Board of all of the Board's nominees unless authority is withheld to vote for all or any of those nominees.

**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The audit committee of the Board has appointed and the Board has affirmed Grant Thornton LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2022.

Prior to the Company's appointment of Grant Thornton LLP on September 1, 2021, Dixon Hughes Goodman LLP served as the Company's auditor for the years ended December 31, 2020, 2019 and 2018, and for the year ended December 31, 2019, the Successor Period from August 15, 2018 through December 31, 2018, and the Predecessor Period from January 1, 2018 through August 14, 2018. Although ratification of the Company's independent accounting firm by stockholders is not required by law, the Board has determined that it is desirable to request ratification of this selection by the stockholders. Notwithstanding its selection, the audit committee, in its discretion, may appoint a new independent registered public accounting firm at any time during the year if the audit committee believes that such a change would be in the best interest of the Company and its stockholders. If the stockholders do not ratify the appointment of Grant Thornton LLP, the audit committee may reconsider its selection. No representative of Grant Thornton LLP is expected to be present at the Annual Meeting.
